# Go & Make Disciples (Matt 28:19): Outreach

Task	Planning	Standards	Milestones	Resources	Responsible	Results	Feedback

The journey from task identification to feedback is interactive and collaborative. Silence, passive aggression, indifference, coldness, private agenda, and failure to come into one accord must be surrendered on the altar of God. “You have been believers so long now that you ought to be teaching others. Instead, you need someone to teach you again the basic things about God’s word...” (Heb 5:12, NLT). “So let us stop going over the basic teachings about Christ again and again. Let us go on instead and become mature in our understanding. Surely we don’t need to start again with the fundamental importance of repenting from evil deeds and placing our faith in God. ...So we will move forward...” (Heb 6:1-3, NLT).

Brethren, we are a Kingdom people. Our work is to expand God's Kingdom of grace. "But don't begin until you count the cost. For who would begin construction of a building without first calculating the cost..." (Luke 14:28, NLT)? We must count the cost to "...be sure that everything is done properly and in order" (1 Cor 14:40, NLT). Talk is NOT a substitute for action. We must become "...known as a rebuilders of walls and restorers of homes" (Isa 58:12, NLT). Broken relationships must be mended. Clear and agreed upon goals must be supported. Priorities must be identified and respected. Attendance and commitment to training must be respected and honored. Are you ready for this work?
